

Agenda for 2-hour Weekly Discipleship Meetings (Follow suggested times as a guide, not a rule)

1. Welcome, WOW, and Prayer Time (40 min.)

Kneel, if able, in respect to God for the first opening prayer (Psalm 95:6–7).

WOW (words of worship)—Someone on the team shares briefly (1–3 minutes) how God blessed them in the past week.

Suggest facilitating prayers through ACTS— Adoration, Confession, Thanksgiving, Supplication. May want to combine Adoration and Thanksgiving and Confession and Supplication. Keep prayers short in respect of other's time to pray. Supplication: prayer requests for personal, church, ministry, country, and world. (1 Thessalonians 5:16–18)

2. Bible Lesson including Action Steps and Accountability (40 min.)

Disciples read and answer questions from the prior week's lesson and are ready for participation. Accountability is willingness to accept responsibility for one's actions. (2 Timothy 3:16–17)

3. Witnessing/Discipleship. What did we do last week to obey Jesus' command to make disciples? (10 min.)

Read a discipleship verse(s). IJS can provide a list if needed. (Matthew 28:19-20)

4. How did the Lord lead you last week? Also share personal joys, challenges, or issues (25 min.)

How did the Holy Spirit help you in good works (other than witnessing) to glorify God? A time for transparency, and not judgment, in sharing anything hampering our walk. Time for personal sharing. (Proverbs 17:22; Galatians 6:2)

5. Announcements, Confirm Facilitator and Location, Closing Prayer, and Benediction (5 min.)

Remind disciples of God's sovereignty, grace, provision, and power—He is the basis of our life. (Corinthians 15:58)
